## **Hope Mackenzie Award**

The PIDIM established this award in 2010 to honor the memory of Hope Mackenzie, a longtime member of the organization and a respected Professional Interior Designer, who passed away in 2009. Hope was deeply committed to her career, which included teaching positions at the University of Manitoba, a role in Accommodations at PWGSC, and her interior design practice. Alongside her professional work, Hope was equally devoted to her family, friends, and association commitments. She truly embodied the meaning of friendship, always ready to lend a helping hand to anyone in need.
